

REPUTATION MONITORING

Know What Customers are Saying About You

Don't let bad reviews shut you down. Everyone has an opinion and the Internet provides the megaphone. With 70% of consumers trusting online reviews, you can't afford to ignore what's being said online. Monitoring and addressing your online reputation has never been easier with your online dashboard.

Have more than one location? Our Multi-Location Analytics will simplify the monitoring process by providing you with an all-in-one inclusive report. Compare and contrast your locations' online presence with a quick glance, and analyze your efforts against your competition.

Key Features:

- Scour social networks, blogs, search engines, and review sites
- Monitor to help manage reviews
- Access to centralized dashboard
- Receive email alerts of recent reviews

Advantages of Reputation Monitoring

- ✓ Repair and grow your reputation
- ✓ Improve customer satisfaction
- ✓ Monitoring tools
- ✓ Quick setup
- ✓ Instant alers of recent reviews
- ✓ 24/7 dashboard
