

TOTAL WEBSITE PLUS

A professional website PLUS our ThriveHive Guided Marketing Platform

With Total Website Plus, our expert web developers build you a responsive, SEO-friendly website to connect you with people searching for your business—and you don't have to lift a finger! We take care of everything—even the words on every page—so you can get back to running your business. Included with your new website is our ThriveHive Guided Marketing Platform. This award-winning solution provides marketing suggestions, a central place to carry them out, and the data to measure your results—all in one convenient location.

Total Website Plus provides everything you need to market your business effectively and maximize your time and effort.

Website Includes:

- Custom content tailored to your unique business
- Mobile-responsive design (adjusts to the size and resolution of every device)
- Hosting, custom domain, and one G Suite account
- Call-to-action buttons to connect with customers
- Lead capture forms
- SEO-friendly format
- Stock photos available, if needed
- Intake call with one of our digital experts and guidance through the entire process

Guided Marketing Platform includes:

- A plan to tell you exactly what to do
- Insight emails and lead notifications
- Ability to send and track emails and newsletters
- 1 tracked phone number
- Contact manager for up to 500 contacts
- Ability to write and publish blog posts
- Social media scheduling and posting
- Customer support via email and chat
- Educational video series

Add-ons *Additional fees apply*
